- To begin, click on the **wifi icon** in the system tray in the bottom left of your screen.
- Select the Laboure_Staff network.
- Click Connect.

Step 2

- You may be prompted to enter your Labouré credentials to sign on.
- The credentials are the same as the username and password that you use to sign into your Labouré workstation.
- Click **OK** and then **Connect** if asked.
- Your connection strength will be displayed once your credentials are accepted.
