

# Join a meeting using a Chromebook

This guide will show you how to join a Webex meeting using a Google Chromebook.

Written By: Wayne Peterson

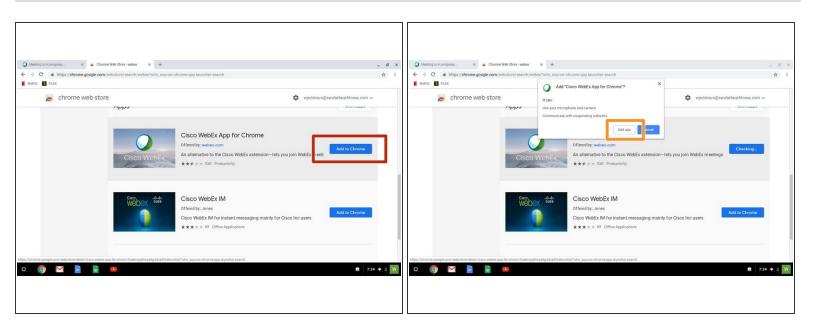

### Step 1 — Join a meeting using a Chromebook

From your desktop, launch the Chrome Web Store.

#### Step 2

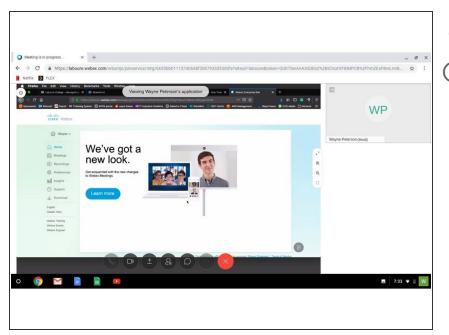

- Search Webex and scroll down until you locate Cisco Webex App for Chrome.
- Click Add to Chrome.
- Click Add App.

- Enter the 9 digit meeting number, Your name and your email address.
- Click Join.
- Enter your name and email once more, click **Join Meeting.**

#### Step 4

- You are now in the meeting.
- At this time, Webex on a chromebook does not support audio conferencing through the app. You can use the chat function native to Webex to communicate within the meeting.
